2 FULL-DAY IDEAS IN THE BORDEAUX VINEYARDS

About me

A recently graduated agricultural engineer, I joined the Les Ateliers au Château team in 2023. Growing up on my family's wine estate nurtured, over the years, my passion for viticulture and the world of wine.

I look forward to welcoming you to our workshops and experiences, where I will introduce you to the many terroirs of Bordeaux and the wines they bring to life.

Inspiration

IDEA NO. 1: SAINT-ÉMILION — UNESCO BY BIKE

MORNING

DEPARTURE

CHÂTEAU DE FERRAND

This historic family-owned estate is nestled in the heart of 42 hectares of greenery, including 10 hectares of woods, parkland and meadows surrounding its magnificent 18th-century château.

The 32-hectare vineyard benefits from a unique terroir, producing structured, complex and elegant wines. Today, Château de Ferrand is recognized as one of the most promising wines of Saint-Émilion.

LUNCH

Inspired by English tea time or a relaxed lounge-style lunch, Château de Ferrand invites you to enjoy savory and sweet bites prepared by the estate's chef, paired with one of the château's vintages.

Ferrand's Wine Time is a flavorful experience that invites you to discover the Orangerie, the château's signature room — a place where wine and gastronomy come together in a format perfectly suited to this special moment.

AFTERNOON

ACTIVITY

Some places are legendary, even iconic, and Saint-Émilion is one of them.

We have designed an electric bike tour in Saint-Émilion so you can admire the beauty of the landscape from breathtaking viewpoints. At your own pace and with no effort, you will take in the sight of this world-famous medieval village from the surrounding hillsides, framed by prestigious vineyards.

We will take time to stop in the village, allowing you to wander through its streets and explore its exceptional heritage.

Inspiration

IDEA NO. 2: PESSAC-LÉOGNAN : CHÂTEAUX, WINE & FUN

MORNING

CHÂTEAU LA LOUVIÈRE

We take you on a relaxed bike ride through the vineyards and past beautiful châteaux along the Bordeaux Wine Route.

In the Graves Classified Growths of the Pessac-Léognan AOC, you will have time to look around, take it all in and enjoy the beauty of the landscape.

We love opening the doors to some of the region's most beautiful estates and sharing the secrets of viticulture and winemaking with you.

Learning to distinguish Merlot from Cabernet Sauvignon, understanding the diversity of Bordeaux terroirs in just a few words : these are small discoveries that make the experience richer. Above all, we take the time to answer your questions.

Along the way, we pause to admire nature, observe the ripeness of the grapes and appreciate the age of the vines.

LUNCH

COUNTRYSIDE PICNIC

AFTERNOON

ORIENTATION GAME

Whether you are a couple, a family or a group of friends, this outdoor activity immerses you in the world of wine in a fun and accessible way.

The vineyard and surrounding woods become a route filled with checkpoints to find, each offering a riddle about vines, wine or tasting.

You choose the pace: a timed challenge for competitive players, or a relaxed walk for those who prefer to take it slow.

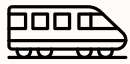

The challenges are not as easy as they look and that is part of the fun.

Arnaud, your wine guide, then welcomes you to the cellar for a tour and tasting of dry white and red wines, where all the answers are finally revealed.

A lighthearted and joyful way to learn about wine.
